

senior software engineer

react js

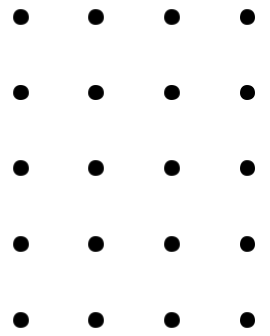

📍 Bangalore ■ Fulltime ⌚ 3-6 years

We are looking for a great JavaScript developer who is proficient with React.js. Your primary focus will be on developing user interface components and implementing them following well-known React.js workflows using Redux. You will ensure that these components and the overall application are robust and easy to maintain. You will coordinate with the rest of the team working on different layers of the infrastructure. Therefore, a commitment to collaborative problem solving, sophisticated design, and quality product is important.

who we are

Betterplace is a technology platform designed to hire, manage, and engage the blue-collar workforce with ease with our all-in-one lifecycle platform. Designed for large enterprises, the platform enables you to manage end to end lifecycle of your blue-collar employees. Device – agnostic. Customizable. Scalable. Uniquely digital.

what we're looking for

- Strong proficiency in JavaScript, including DOM manipulation and the JavaScript object model
- Thorough understanding of React.js and its core principles
- Experience with popular React.js workflows, **preferably Redux**
- Familiarity with newer specifications of EcmaScript
- Experience with data structure libraries (e.g., Immutable.js)
- Familiarity with RESTful APIs
- Knowledge of modern authorization mechanisms, such as JSON Web Token
- Familiarity with modern front-end build pipelines and tools
- Experience with common front-end development tools such as Babel, Webpack, NPM, etc.
- Ability to understand business requirements and translate them into technical requirements
- A knack for benchmarking and optimization
- Familiarity with code versioning tools

what you'll do

- Developing new user-facing features using React.js
- Building reusable components and front-end libraries for future use
- Translating designs and wireframes into high quality code
- Optimizing components for maximum performance across a vast array of web-capable devices and browsers

what you'll get

- Health Benefits
- Innovation-driven culture
- Smart and fun team to work with
- Friends for life
